Rewarding Team Members and Thanking Clients for their custom...

Here's why:

As they say... A Bad Day on the Green is Better than a Good Day in the Office. Good game or bad, there are few nicer ways to spend time with mates.

Imagine arriving at Collier Park Golf Course for lunch and a drink or two before taking your golf cart and playing 18 holes of Golf with three other mates. Wouldn't that be great?

Or what about if you could hit a Hole-In-One and win \$1000.00. How would that feel if you could do this? All you have to do is BOOK and BELIEVE!

You might also make the longest drive, closest to the hole or even take out everyone with you and your mates winning the tournament to collect some great prizes. It truly is possible, **but you need to be there**

Why?

Here is a sneak peak at what to expect at **"THE MUST DO DAY"**:

- Arrive early and receive one hour of coaching.
- Lite lunch and drinks before commencement.
- Golf cap, t-shirt and golf ball
- Motorised golf cart and 18 holes of golf (Ambrose)
- Beer, sports and soft drinks with chocolate bars delivered during the tournament
- Scrumptious dinner and drinks during prize ceremony
- **Great Prizes** - Hole in One \$1000 plus 1st, 2nd, 3rd prizes for best score, longest drive, nearest the pin and of course the naga.
- Many free giveaways and discount vouchers for each player donated by sponsors worth 100's of dollars.
- All sponsors, players and dinner guests go into the draw to win a **Getaway Weekend for Two** at The Vines Country Club and Resort valued at \$500.00

What's THE MUST DO DAY like this worth?

What would you expect to pay for such a magnificent day of golf with so many benefits \$200.00 or maybe \$300.00? That is what the normal charge is for many Corporate Golf Tournaments these days!

Which is why "The SAIWA/Jim King Corporate Golf Day - The Must Do Day!" is such a bargain at \$121.00 Per Person. YOU just can't afford not to take advantage of such a great opportunity.
